In the following videos we want to present a few best practice examples for Open Educational Resources (OER)

Slide 3

Amazon Education was starting to beta-test a new platform with educators, helping teachers navigate the jungles of open educational resources (OERs). A free, mostly-OER platform, Amazon Inspire works like a search engine for educational videos, lesson plans and games.

Slide 4

Users can search by criteria like topics (say, “fractions” or “the Constitution”), standards, grade level, and time to complete, as shown below; additionally, they can rate materials with 1 to 5 stars. Amazon Education is still in development, but you can gain early access.
