In the following videos we want to present a few best practice examples for Open Educational Resources (OER)

Slide 3

The Oerre Education Hub enables people to see the importance of education and use it to make their lives better.

In today's world, many people lack the proper knowledge in many areas, and this is due to the lack of education. We all know that every parent wants to give their children the best education, but sometimes it may not be possible due to various circumstances. One must remember that education can come in many forms and not all of them costs money.

Slide 4

There are various platforms that people use to improve their lives, but all build on education, regardless of the field. It is very important for Oerre Education Hub to show content on their platform and help grow education. Provides a platform for discussion. Content about the importance of education
